This is in response to the Office communication (final rejection) dated February 2, 2010, the Advisory Action dated May 13, 2010 denying entry of Amendment D After Final because it did not simplify the issues on appeal and because "[a]dditional searching and consideration is necessary," and the Advisory Action dated June 11, 2010, denying entry of Amendment E After Appeal because "[t]he proposed amendment contains claim limitations that were not examined by the Examiner." and the Advisory Action dated June 24, 2010, denying entry of Amendment F After Appeal because the amendment F raises new issues that would require further consideration and/or search and "[t]he rejections of record are maintained for reasons fo [sic] record in the final rejection 2/2/10." Applicant respectfully requests entry of the present amendment under 37 CFR 41.33 to
